Christmas Tree Fundraiser

The Sloan farm has been operating for more than 60 years. Through those years we have sold Christmas trees to service groups, churches, schools and Scouts all over southwest and central Ontario. In recent years, we have been involved in pre-sold tree programs. Here's how they work:

- 1) **Profits:** Your profit is \$20-\$23.00 for each tree sold.
- 2) **Delivery:** Delivery is included in the price for orders of 50 trees or more to locations inside Windsor, Owen Sound, Barrie, Markham and Hamilton region. For less than 50 trees a delivery charge will apply. Groups can pick up their trees at our yard in Bothwell. Groups picking up receive a \$3.00/tree discount (taxes included) from our fundraiser pricing.
- 3) **Quality & Freshness:** All trees used in this program are No.1 Fraser Firs. These trees have excellent needle retention, unlike balsam or spruce trees. Sloan trees are known to be fresh. Due to less snowfall in our region we start our harvest closer to Christmas.
- 4) **Pricing:** We suggest that you sell these beautiful No.1 Fraser Fir for
 - **\$55.00 – 6.5-8'**
 - **\$75.00 – 8-9'**

Taxes are included in our price to you. You should not have to collect taxes if you sell less than \$30,000/year. **Your cost is:** **Profit**
