Fresh Evergreen Wreath Fundraiser

The Sloan farm has been operating for more than 60 years. Through those years we have sold Christmas trees to service groups, churches, schools and Scouts all over southwest and central Ontario. This past year, we have included wreath making and have added it to our pre-sold fundraising programs. Here's how it works:

Wreaths

- 1) **Profits:** Your profit is \$5-\$10.00 for each wreath sold.
- 2) **Delivery:** Wreaths can be picked up at our nursery office. They will be packaged loosely in plastic in bunches of 5 – 10 depending on the size of wreaths ordered. If delivery is needed let us know and we can give you pricing to your location.
- 3) **Quality & Freshness:** All boughs used are cut fresh using our own Fraser Firs, cedar and white pine. These trees have excellent needle retention. Sloan wreaths are known to be fresh. Wreaths are made just prior to pick up.
- 4) **Pricing:** We suggest that you sell these fresh made wreaths for
 - **\$18.00 - 18-22" small size wreath**
 - **\$24.00 – 22-26" medium size wreath**
 - **\$36.00 - 30-34" large size wreath**

<u>Your Cost</u>	<u>Profit</u>
• \$13.00 - small	\$5.00
• \$16.50 – medium	\$7.50
• \$26.00 – large	\$10.00

Taxes are included in our price to you.

You should not have to collect taxes if you sell less than \$30,000/year.

Wreath orders should be in 2 weeks prior to pick up date or by Nov 24th, 2017
