Fresh Evergreen Wreath Fundraiser 2023

Fresh wreaths are a truly unique item and make a great Fundraiser. The Sloan farm has been growing & selling trees for more than 60 years. Wreaths are handmade in house with our own fresh Fir, cedar and pine boughs. This is a fundraiser that your group can look forward to year after year. Here's how it works:

- 1) **Profits:** Your profit is \$10 - \$15.00 for each wreath sold.
- 2) **Pick-up/Delivery:** Wreaths can be picked up at our nursery office in Bothwell. They will be stacked loosely in bunches of 5. If delivery is needed let us know and we can give you pricing to your location.
- 3) **Quality & Freshness:** All boughs are cut fresh using our own Firs, cedar and white pine. These trees have excellent needle retention. Sloan wreaths are known to be fresh, and are made just prior to pickup.
- 4) **Pricing:** You can set your own price, we suggest that you sell these fresh made wreaths for:
 - **\$28.00 - 18-22" small size wreath**
 - **\$36.00 – 22-26" medium size wreath**
 - **\$52.00 - 30-34" large size wreath**

<u>Your Cost</u>	<u>Profit</u>
• \$18.00 - small	\$10.00
• \$23.50 – medium	\$12.50
• \$37.00 - large	\$15.00

Taxes are included in our price to you.

You should not have to collect taxes if you sell less than \$30,000/year.

Wreath orders need to be in 2 weeks prior to chosen pick-up/delivery date or no later than Nov 10th, 2023
